TEQUILA & MEZCAL MASTERCLASSES

Let us share with you the secrets of the agave spirits, how best to drink them, how to mix them, their history and their future! But, most importantly, let's have a party. Your masterclass starts with cocktails on arrival of your choice, we'll then talk you through the origins of our favourite spirits while sampling some of our finest and most delicious Tequilas and Mezcal. And to finish up you'll be able to get behind the bar and shake up a cocktail of your own! Masterclasses are charged at £25 per person. Don't miss out and book yours now by emailing us at **info@fourhundredrabbits.co.uk**
